# of students who improved their academic performance as a result of participation		*	27	20	67	115	122	48

*FY17 YAA: School changed reading intervention. Fewer students with more intense tutoring. Also high degree of student turnover [41]. For the 52 students remaining in the program 92.31% improved their proficiency.

Intermediate Outcome 1: BASIC PROGRAM QUALITY — Quality, access, and duration of in-home and center-based care facilities is of the highest standards in the area. Youth are engaged in out-of-school time activities that provide a safe, supportive environment and reduce the impact of summer academic loss.		FY 2011 baseline	FY 2012 (actual)	FY 2013 (actual)	FY 2014 (actual)	FY 2015 (actual)	FY 2016 (actual)	FY 2017 (actual)
Performance Measures	Partners	# Impacted	# Impacted	# Impacted	# Impacted	# Impacted	# Impacted	# Impacted
# of classrooms that maintained or improved quality	HACAP (Paces to Quality), Jane Boyd, Kids First, BGCCR, Boy Scouts	72	33	33	29	28	26	28
# of programs that maintained or improved quality		21	23	38	40	29	32	33
# of child care/home providers who maintained or improved quality		135	254	33	40	30	18	28
# (%) of program providers are trained in trauma-informed care and knowledge of ACEs		New FY15 indicators				34	35	27
Program quality is improved (or maintained if at highest level) based on YPQA assessment					323	377	230	

Over the past 4 years, home-based provider participation in voluntary state registration has declined by 35% - reducing home provider numbers. Quality improved or maintained declined as providers are waiting for new state regulations before implementing studies.

Intermediate Outcome 2: CHILD DEVELOPMENT - All children birth to five are screened early for cognitive, social-emotional, fine and gross motor, and language and early literacy skills and demonstrate developmentally appropriate skills to ensure that every child receives supports to succeed.		FY 2011 baseline	FY 2012 (actual)	FY 2013 (actual)	FY 2014 (actual)	FY 2015 (actual)	FY 2016 (actual)	FY 2017 (actual)
Performance Measures	Partners	# Impacted	# Impacted	# Impacted	# Impacted	# Impacted	# Impacted	# Impacted
# of children (birth to 5) demonstrating developmentally appropriate language skills for their age	HACAP, Waypoint & YPN	549	586	713	706	658	725	803
# of children (birth to 5) demonstrating developmentally appropriate physical (fine & gross motor) skills for their age		595	614	726	782	677	812	865
# of children (birth to 5) demonstrating developmentally appropriate cognitive skills for their age		564	578	726	752	654	782	823
# of children (birth to 5) demonstrating developmentally appropriate social-emotional skills for their age		575	563	711	764	663	770	831

Intermediate Outcome 3: PARENTING - Parents of young children will demonstrate the knowledge and skills to promote their children's successful development. - (FY 2012 Amount Invested: \$ 398,304)		FY 2011 baseline	FY 2012 (actual)	FY 2013 (actual)	FY 2014 (actual)	FY 2015 (actual)	FY 2016 (actual)	FY 2017 (actual)
Performance Measures	Partners	# Impacted	# Impacted	# Impacted	# Impacted	# Impacted	# Impacted	# Impacted
# of parents who improved (or maintained at highest level) social-emotional support or relationships with family and friends	HACAP, Jane Boyd, & YPN	143	197	559	1462	1151	789	799
# of parents who improved (or maintained if at highest level) personal & family functioning/resiliency or supportive services		698	744	1223	1652	1240	916	808
# of parents who improved (or maintained at highest level) parenting knowledge and skills		483	749	1563	1446	1175	929	827
From 2014 to 2015, United Way was no longer able to fund Partnership for Safe Families due to state grant requirements. The drops in numbers reflect this change. 2016 Agencies reported adding curriculum to help parents understand resiliency and supportive services to better understand indicator questions.								

Intermediate Outcome 4: SUPPORTING ENGAGEMENT - Youth have the supports to succeed academically and are proactively engaged in their present work.		FY 2011 baseline	FY 2012 (actual)	FY 2013 (actual)	FY 2014 (actual)	FY 2015 (actual)	FY 2016 (actual)	FY 2017 (actual)
Performance Measures	Partners	# Impacted	# Impacted	# Impacted	# Impacted	# Impacted	# Impacted	# Impacted
# of youth who increased their math or science proficiency (STEM focus)*	BBBS, BGCCR, & Jane Boyd	382	344	666	948	783	394	631
# of youth who have a positive attitude toward school		93	412	1175	1349	1299	1247	1120
# of youth who reduced chronic absenteeism** (youth with improved attendance)		168	195	744	864	477	130	412
# of youth who participate in service learning in their local, national, or global communities***		1,661	2424	805	1084	374	188	288
# of youth who have improved (or maintained if at grade-level) education attainment over the summer.		New FY15 indicators			379	300	244	
As FY15 is a new reporting cycle, many agencies have changed which indicators to report, have added new ones, and have dropped others. Therefore, use caution when comparing FY2014 to FY2015 * Due to RFP as of 2015, "youth who have improved math and science proficiency" was "youth who improved reading and math proficiency" from FY2014 and earlier **Due to RFP as of 2015, "youth with reduced chronic absenteeism" was referred to as "youth with improved attendance". *** Due to RFP as of 2015, "youth who participate in service learning in their local, national or global communities" was referred to as "youth who are engaged in their local, national or global communities".								

Intermediate Outcome 5: BUILDING HOPE - Youth have the relationship support and positive social-emotional skills to know they will succeed in the future.		FY 2011 baseline	FY 2012 (actual)	FY 2013 (actual)	FY 2014 (actual)	FY 2015 (actual)	FY 2016 (actual)	FY 2017 (actual)

# of youth who have improved social-emotional skills		2,237	2163	2417	3338	620	1022	1229
# of youth who express optimism for their future		New FY15 Indicator			754	650	1022	
2016 Youth expressing optimism is down due to increased violence in many local neighborhoods. Partner stopped measuring family relationship indicator.								

Intermediate Outcome 6: IMPROVING LITERACY - Literacy is valued in individuals, families and the community, and students have the necessary skills to succeed in school.		FY 2011 baseline	FY 2012 (actual)	FY 2013 (actual)	FY 2014 (actual)	FY 2015 (actual)	FY 2016 (actual)	FY 2017 (actual)
