

Definitions for Grant Fund Usage

Programmatic

Funds expended for all activities or items related to implementing a program including, but not limited to:

- Contracted services
- Client support (e.g. housing, transportation, food, diapers, clothing, etc.)
- Office supplies (e.g. marketing materials, books, printing, etc.)
- Technology

Admin

Funds for internal support including, but not limited to:

- UWECI staff
- Employees that manage contractors
- Overhead costs (e.g. office space, office supplies, rent, etc.)
- Technology related costs

Pass through

Funding that is received by UWECI and then quickly granted out to another agency to fund a program or other activities. One example: co-written grant applications where some funding comes in and is granted to another agency.
