WHO WE ARE

Established in 1914, United Way of East Central Iowa (UWECI) is the second largest United Way in Iowa and was one of the first in America. We serve Benton, Cedar, Iowa, Jones, and Linn counties to help meet our communities' most critical needs.

OUR CREDO

We fight for the education, financial stability, and health of every person in our community.

"United Way connects donors to nonprofit organizations that would have a tough time doing it on their own. United Way provides them a way to get in front of people to tell their story."

LEADERSHIP SOCIETIES AND NETWORKS

WE FIGHT FOR OUR COMMUNITY'S FUTURE

UWECI leadership societies connect our most passionate donors. Together, we tackle today's issues by creating lasting change. Membership enables you to create a strong relationship with both your community and others who share your commitment.

LEADERSHIP NETWORKS

Young Leaders Society (YLS)
Chair: Donita Sanderson
 Donors age 40 or younger who give \$250+

YLS recognizes emerging community leaders aged 40 or younger. YLS designates 10% to programs supporting early childhood literacy. Members also organize events such as the Time for Art: A Celebration of Volunteers silent art auction, the Board Orientation and Leadership Development (BOLD) series, and Volunteers on Tap.

Labor Leadership Giving Society
Chair: Randy Sconyers
 Union members who give \$350+

Labor Leadership recognizes Union members who demonstrate commitment to caring for one another and those most in need. Locally, the Community Services Liaison serves as a contact between Hawkeye Labor Council, AFL-CIO, and UWECI. The Hawkeye Labor Council has 40+ affiliated Unions with members who support United Way. Together, local Unions and UWECI continue to impact the quality of the labor force and working families in our community.

Women United
Chair: Wendy Nielsen
 Donors who give \$500+ to Women United

Women United brings together funds and resources to ensure the well-being of women in need. The group partners with UWECI funded partners to provide prescription assistance, emergency dental care, vision care, medical co-pays, diabetic testing supplies, and care coordination for un- and under-insured women. Members organize and participate in events such as the Women United Luncheon and Power of the Purse silent auction.

LEADERSHIP SOCIETIES

William B. Quarton Society
 Donors who give \$500–1,249

Quarton Society was named in honor of Bill Quarton. During his lifetime, he championed Cedar Rapids with his philanthropy.

T.M. Sinclair Society
 Donors who give \$1,250–9,999

UWECI's first philanthropic leadership society was named after one of our area's founding fathers, Thomas M'Elderry Sinclair, who believed in teaching children to read and write and was committed to the development of Cedar Rapids.

Keystone	\$7,500–9,999	Pillar	\$5,000–7,499
Cornerstone	\$2,500–4,999	Builder	\$1,250–2,499

Alexis de Tocqueville Society
 Donors who give \$10,000 or more

Tocqueville Society members are true philanthropists and leaders who give their time and generosity to create long-lasting solutions for our community's most pressing issues.

La Société Nationale	\$100,000–249,999
Ordre de Fraternité	\$75,000–99,999
Ordre d'Egalité	\$50,000–74,999
Ordre de Liberté	\$25,000–49,999
Membres de la Société	\$10,000–24,999

INDIVIDUALS BY GIVING LEVEL

We make every effort to list each leadership donor accurately. Because some companies use third party processors, UWECI does not always receive donor information. We apologize if your information does not appear. Contact us with any questions at liveunited@uweci.org. Thank you!

**UNITED,
WE FIGHT.
UNITED,
WE THRIVE.**

Abbie could be your neighbor.

Struggling with debts and addiction, Abbie lost her job, her home, and her children. Abbie didn't know where to start until a friend suggested United Way's resource helpline. The operators were able to connect Abbie to several community resources to help her get clean, pay off her debts, and reunite with her children.

Connecting the dots for people like Abbie is what we do best. We help every person throughout their lives, and treat the root of our community's issues by investing in organizations that fill gaps of need. .

When the people in our community thrive, our community thrives.
