

LEADERSHIP GIVING

UNITED WAY
East Central
Iowa

Leadership Giving Societies at United Way of East Central Iowa (UWECI) connect our donors to causes they care about. By joining a leadership society with your gift, you foster a powerful relationship with your community and others who share that same commitment of creating positive community change throughout East Central Iowa.

WILLIAM B. QUARTON SOCIETY

Donors who give \$500 - \$1,249

The Quarton Society was named in honor of Bill Quarton. During his lifetime, he championed for Cedar Rapids and the belief in community philanthropy and giving back.

T.M. SINCLAIR SOCIETY

Donors who give \$1,250 - \$9,999

As UWECI's first leadership society, this group was named after one of the area's founding fathers, Thomas M'Elderry Sinclair. He believed in teaching children to read and write and was committed to the development of Cedar Rapids.

ALEXIS DE TOCQUEVILLE SOCIETY

Donors who give \$10,000+

The Alexis de Tocqueville Society empowers passionate individuals to deepen their involvement in UWECI's mission. This society celebrates philanthropic leaders who devote their time, talents, and treasures to solving our community's most pressing challenges.

TOUCH TOMORROW SOCIETY

Touch Tomorrow Society recognizes donors who support UWECI's Endowment through outright or estate gifts. These donors strengthen our community, improve lives, and make an everlasting impact.

Looking to get involved and expand your impact?

UWECI has two Impact Networks that bring people together with shared passions and give them the power to combine their giving and volunteering to the causes they care most about.

Emerging Leaders United (ELU) connects engaged individuals who make a gift of \$250+ and are driven to make a difference and have a desire to address the most critical needs of our community.

Women United is an inspiring group of individuals who give \$500+ and works to unite funds and resources to ensure the well-being of women in our community.

"A community is only as strong as reaching out and lifting up the people most at need. To me, that's the most critical thing about giving to United Way. We can make sure our community is reaching out and putting their arms around everyone in this community."
