

**OUR
GOAL:**

UNITED IS THE WAY

By reaching our goal as a community,
we can create lasting change in:

75%

Financial Security

By providing resources to education, job training, and financial tools, so individuals can build thriving futures and communities.

50%

Healthy Community

By connecting people to resources they need to lead healthy lives, like nutritious food, health education, and quality care.

25%

Youth Opportunity

By creating educational opportunities, from early childhood to career, keeping young people engaged, inspired, and on track for success.

Community Resiliency

By mobilizing the right people at the right time, equipping communities to navigate challenges from the moment crises strike to long-term recovery.
