

# VIA UNITED WAY

## VOLUNTEER

Volunteering is one of the most powerful ways to create change and strengthen our community. As a connector and convener, United Way of East Central Iowa brings together people, nonprofits, and opportunities to address our communities greatest needs.

Whether through corporate volunteer projects, VITA (Volunteer Income Tax Assistance) program, Solutions Teams, Workplace Volunteer Council, 55+ Initiative, or leadership opportunities with Women United and Emerging Leaders United, there are many ways to get involved.

## INVEST

Your support to UWECI allows us a seat at the table to connect with other community leaders and nonprofit partners to create long-term solutions for everyone's success in Eastern Iowa.

When you give to United Way, you are investing in our community's greatest needs and our four focus areas of financial security, healthy community, youth opportunity, and community resiliency.

## ADVOCATE

When you use your voice to advocate for change through United Way, you create an equitable community for all.

UWECI provides advocacy groups and programs such as Civic Circle and BOLD (Board Orientation Leadership Development). These programs engage community members in issues or causes they are passionate about and help develop our community's success.
