

CONTAINERS FOR A CAUSE

Looking to double your impact with United Way and on our environment?

Through a partnership with Can Shed's Containers for a Cause program, your employees can turn redeemable cans and bottles into support for local causes, like United Way of East Central Iowa!

How It Works

- Employees collect eligible cans and bottles at home or in the workplace
- Containers are dropped at any Can Shed location
- Redemption proceeds are directed to a designated nonprofit partner

Company Benefits

- Generates a low-involvement employee engagement opportunity
- Offers a flexible, year-round fundraising opportunity for local causes
- Doubles your impact by giving additional dollars to a nonprofit and recycling cans and bottles
