

SOLUTIONS IN ACTION

# AMAZING THINGS HAPPEN WHEN WE WORK TOGETHER.

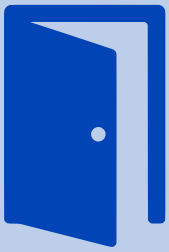

## THE COMMONS ON 16TH

The Commons on 16th transforms a former CRST training facility into a place to call home for individuals experiencing unsheltered homelessness.

The Commons on 16th provides immediate housing, intensive case management, and support services. With 55-65 individuals experiencing homelessness, this 65-unit facility has the potential to address unsheltered homelessness in Linn County.

**"What was once a training center has the potential to become a place where people rebuild their lives. We believe our building can be part of the solution, and we hope it inspires others to invest in creating lasting change for our community."**

**MIKE GANNON**
President and CEO
CRST International

65 bridge housing units for those experiencing chronic homelessness in a 24/7-staffed facility.

Support services on-site, such as crisis counseling, healthcare, life skills, behavioral health, and more.
