AMAZING THINGS HAPPEN WHEN WE WORK TOGETHER.

LANDLORD & TENANT SUCCESS INITIATIVE

The Landlord & Tenant Success Initiative is an innovative pilot project that aimed to pair housing-challenged tenants and for-profit landlords for the length of a full lease term. The project's initial goal was to house 30 individuals.

Cedar Rapids Bank & Trust made the program possible with a $100,000 gift.

"The Landlord & Tenant Success Initiative was designed to help us learn how to support tenants and landlords more effectively. By providing incentives and resources, we hope to encourage landlords and tenants to work together, ultimately leading to improved housing stability in our community."

77 households enrolled in the program, with 88 adults and 62 children being housed.

99% of tenants housed through the program have passed in-unit inspections.
