

UNITED WAY'S ROLE

ADDRESSING TOP NEEDS IS OUR PRIORITY.

As a trusted nonprofit leader in East Central Iowa, United Way directs dollars to the areas of greatest need. This process empowers local organizations to join us in building a thriving community, ensuring individuals in need have access to resources when and where they need them.

HOMELESS SYSTEMS PARTNERS

HACAP, Waypoint, and Willis Dady helped 90% of tenants they served achieve successful housing outcomes, strengthen housing stability, and help individuals move toward long-term independence.
